3	Message from the President of the Association of Researchers of Thailand	57	Investigation on Quantity and Property of Jatropha Oil from Extraction Method for Study Property of Jatropha seed and oil from Various Storage Durations  Chanakan Puemchalad, Thanita Sonthisawate and Piyanan Sreesiri
4	Message from the Editor-in-chief		
6	Executive Director		
7	Activity Pictures	66	Enhancing the oxidation stability of biodiesel form Jatropha oil using Partial Hydrogenation  Chanakan Puemchalad, Thanita Sonthisawate and Piyanan Sreesiri
11	Opinion in Administration Academic the teaching Management of Guardians of high school students in Chonburi province  Phumphakhawat Phumphongkhochasorn	73	Investigation on Properties of Jatropha oil from storage of seed, oil and different storage tanks at different period  Chanakan Puemchalad, Thanita Sonthisawate and Piyanan Sreesiri
22	The development of an experimental set and Finding efficiency the application using microcontroller boards of the controller robots in microprocessor and interfacing Subjects for 4rd undergraduate Students Computer Engineering Faculty of Engineering Kasembundit University  Kittisak Ungkanawin	81	Heavy metal residue in the landfill area of Tan Deaw sub-district in Saraburi and in adjacent areas  Chanchai kahapana, Mirantee Deecharern, Suttida Kongjay, Jantana Panpran and Anchana Pattanasupong
33	Development of microcontroller experiment kit PIC16F877 / 16F84 With the industry of cylindrical type steel sorting machine  Phumphakhawat Phumphongkhochasorn, Piya Supavarasuwat	89	Evaluation of Heavy Metals and Hazardous Substances in Polylactic Acid for Agricultural Applications  Sirorat Tungsatitporn, Nidtayaporn Sompakdee, Noppawan Srasaengta, Witthawat Yueayai and Anchana Pattanasupong
43	Measurement of the Effectiveness of Various Environmental Education Programs on Different Target Groups (A Review)  D. Ogueri, K. Chunkao, S. Bualert	95	Research to Innovation for Sustainable Use of Hemp in Thailand  Asst. Prof. Dr.Sujinna Karnasuta
51	Alopecia Areata Treatment with Extracted Cannabis Oil: Case Study 52-year-old Asian Male.  Vorasun Buranakarn
